

## Dissemination conference in Vienna on May 31, 2017:

Employment Service Austria held a conference with the title „Quality ist not achieved by chance - Practical Experience Reports on Quality Assurance in Educational Processes“.

On this conference, the first key note speaker Professor Elke Gruber gave an overview on quality in adult education and further training as a topic with many facets.

In the second keynote Elisabeth Steinklamer (Trainers' Academy of the Chamber of Labour and the Austrian Trade Union) presented quality assurance as part of adult training goals to empower employees, to involve and to strengthen their political / collective

activities which focus on the people in political processes activities.

In the third keynote Karin Steiner, representing partners, the Austrian research organisation ABIF, gave an overview on the different quality areas of the QUALITOOLS handbook and the online methods database and explained why these quality areas are important for the training practice in VET organisations.

one of the QUALITOOLS project

In the last keynote, the quality circles presented as one of the quality assurance activities of the College of Promotion Institute Vienna by Ina

were

Higher Education of the Vocational Pircher.

### Conclusion:

The conference was attended by 70 trainers, training managers and other interested people in a conference room of the Chamber of Labour. All photos and the entire documentation in German can be viewed here:
